You will be asked to create a password. Password requirements are for 8 characters: Upper Case Letter, Lower Case Letter, a Number, and a Special Character (like *, #, ?).

You will then set up three Security Questions to use upon login from an unrecognized device or for certain transactions. Choose a question from the drop-down menu and enter an answer. Do this for all three questions.

Memorize your UserName, Password, and Security Questions/Answers for future use.

You will have access to all accounts for which you are a single or joint owner and will also have access to any debit cards tied to the social security number used in the registration.

Review and Agree to the Terms and Conditions document, and you will have completed your enrollment into Online or Mobile Banking !
