ONLINE BANKING / MOBILE BANKING

Register for our Online Banking product at **www.rushvillestatebank.com** or by downloading the Apple or Android App to your smartphone.

- Below the online banking login box, click the "New User" to begin the process.

- Complete the Enrollment Form, completing all requested information. All information must match information we have on file for the auto-registration to be successful. If you receive any error messages, please call us at 217-322-3323 for assistance.

- Create a UserName and a one-time use Security Code that will be used to complete the registration.

- You will receive an email confirming your registration in 1-2 business days. Click the link shown in the email and when asked, enter the Security Code created in the previous step.

- You will then be asked to set up three Security Questions to use upon login from an unrecognized device or for certain transactions. Choose a question from the drop-down menu and enter an answer.

- Review and Agree to the Terms and Conditions document and you will have completed your enrollment into Online or Mobile Banking.

- You will have access to all accounts for which you are a single or joint owner and will also have access to any debit cards tied to your social security number used in the registration. If you need access to any other accounts, please contact us for additional instructions.

- Enjoy your 24/7/365 access to your accounts !!

MANAGE ALERTS

Rushville State Bank
1890

Manage Alerts is a service within the Online Banking system that allows you to receive notification of account related or security related activities and messages. You must be a registered Online Banking User to use this service.

- Log into your Online Banking Account. Under the "Manage Alerts" tab on the menu, choose the "+" in the "My Alerts" section to Add a new Alert.

- Alerts categories are Customized Account Alerts, Bill Payment Alerts, and Security Alerts.

- Choose the type of alert you would like to receive, the account numbers you would like to activate, select other alert details and the method of alert delivery.

MOVE MONEY

The **Move Money** option allows several ways to transfer funds "from" your Rushville State Bank deposit accounts at your convenience:

- **Transfer Funds** between your Rushville State Bank checking and savings accounts or to a loan account for a payment.

- **Bill Payment** is available to pay vendors or individuals on a one-time, scheduled, or recurring basis. Registration is required for the Bill Payment service and 4 bills must be paid on a monthly basis or a $5.00 service charge will be assessed. To apply for the Bill Payment service click the link within the Move Money page.

- **SPIN P2P** is available to registered users to make "instant" payments to individuals that hold a US-issued Mastercard or VISA debit card. The application is located under the "Messages" tab and the "Click a Form to Submit" link. The P2P service transfers funds through the debit card network to recipients either instantly using a receiving debit card number or through an email sent to the recipient from which they may securely enter their debit card information to complete the transfer.

MOBILE CHECK DEPOSIT

The **Mobile Check Deposit** option allows a user to deposit a check using a photo image from their smartphone without ever leaving their home!

- This service is available to registered users that have a smartphone capable of taking pictures, have accounts in good standing with no overdrafts for a period of 60 days. To register for the product, click on the "Messages" tab and then select "Click a Form to Submit" link to complete the Mobile Check Deposit application.

- Per item and daily limit maximums are $1,500.

- All items must be endorsed with the payee signature and the words "for mobile deposit only" to be eligible.

- Read the Terms and Conditions document available during registration for additional requirements and/or restrictions.

TEXT BANKING

As an added service or for use on non-data plan mobile devices, you may enroll in our Text Banking Service.

- Log into our Online Banking or Mobile Banking service and click on the Manage Profile/Your Name option at the top of the screen.

- Review and accept the terms and conditions and click Accept to Enroll.

- Add a Device and complete the verification process. You will receive a text message from 662265 to complete the registration.

- Under the verified Device choose "On" for the SMS Text Banking Option to activate accounts for Text Banking and set up any Alerts you choose under the SMS Text Alerts Option.

To receive instant Text Messages with information regarding your account(s) text the following codes to 662265 (text messaging charges may apply):

BAL: Summary of Balances for default account

BAL ALL: Summary of Balances for all registered accounts

BAL <account nickname>: Returns balance for listed account

ACT: Recent Transaction history for registered accounts (last 5 transactions)

ACT <account nickname>: Recent history for listed account

CMD: Provides list of available Commands.

HELP: Help Instructions

STOP: Will cancel the Text Banking Service
