

Knowing What Counts

A quarterly publication for the customers of

Summer 2023 • Vol. 2023, No. 2

From Gregg's Desk: *Insights by Rushville State Bank's President & CEO*

In today's financial marketplace, you need an ally that can provide sound financial information and services, a consistent resource you can trust.

At Rushville State Bank, we are dedicated to serve the community where we live and work. While the national media will focus on the failures of large regional banks that treat their offices over multiple states as outposts, community banks like Rushville State Bank understand that the well-being of our institution is directly linked to the strength and vitality of the local markets we serve. We truly appreciate your business!

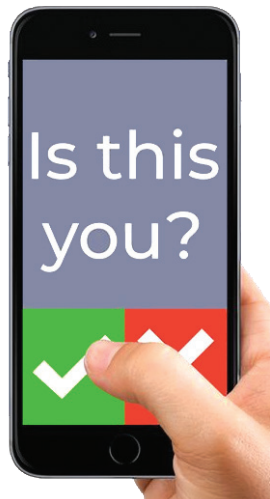

We continue to see our customers being contacted by scammers attempting to steal your hard-earned money. Technology is a great thing, but it has opened a new arena for these thieves to operate in, and they are very good at what they do. Please be diligent in protecting yourself from these threats, and do not hesitate to contact us regarding the legitimacy of any contacts you may receive, especially when you are told not to contact your bank, your family, and the police.

See you at the Schuyler County Fair!

*~ Gregg Roegge,
President & CEO*

Online Banking security changes come to Rushville State Bank

Beginning June 5, 2023, an additional layer of security was added to the login process for our Online and Mobile Banking products. A simple name and password with security questions is no longer enough. Passwords are becoming increasingly easy to compromise and security question answers can be guessed or hacked. We have added a layer of security that requires a secondary authentication using a telephone number that you register with your account. The authentication

can be completed using the DUO Mobile App that can be downloaded to your phone, by using a text message with a numeric passcode or through receiving a phone call. This new layer of security has been added for your protection and the protection of your deposit accounts with Rushville State Bank. If you need assistance registering your account for this service, please feel free to call us at 217-322-3323 or stop by the bank with your devices and we will be glad to help.

A new face for the summer

Please join us in welcoming Emily Mutschler to Rushville State Bank, as she works for us this summer in the teller line. Emily is a 2022 graduate of Rushville-Industry High School and will be a sophomore this fall at Southern Illinois University – Edwardsville where she is double majoring in speech pathology and psychology. Welcome Emily!!

Community Focused

Hitting a hole in one for Culbertson Memorial Hospital

Rushville State Bank is a proud supporter of Culbertson Memorial Hospital and the Culbertson Memorial Hospital Foundation. Aside from our participation in the annual golf fundraiser for the Foundation as shown in the photo above, the Bank has worked collaboratively with the Hospital for decades for the betterment of our community.

Current and former Bank directors and staff members have served as members of the Hospital Board, Foundation Board members, and on advisory committees for the both the Hospital and the Foundation. Over the years, the Bank has assisted the Hospital with funding options, investment needs, and financial services for its operations. We encourage our directors and staff to use our local medical services to support the Hospital business and keep dollars in our community.

The Hospital is a tremendous asset to our area, providing

high quality accessible health care services, professional jobs, improved quality of life, and general community support. Join with us in celebrating the all of benefits delivered by Culbertson Memorial Hospital for more than 100 years and in looking forward to the future care and services from our local Hospital.

Rushville State Bank helps local athletes get a leg up on the competition

The Schuyler County Track and Field Association (SCTFA) was formed in 1996, and this volunteer organization has worked countless hours developing one of the premier track and field facilities in central Illinois. Their efforts have been appreciated by the many spectators and athletes who have enjoyed this complex over the last twenty-five years. In addition, the track is available for members of the community to use and enjoy.

In the fall of 2019 the track surface was replaced with a totally new polyurethane surface that will last for many years. This state-of-the-art complex has hosted and will continue to host many IESA and IHSA events, drawing competitors and spectators from throughout central Illinois to Schuyler County.

Rushville State Bank is a proud supporter of The Schuyler County Track and Field Association, and congratulates the SCTFA on a job well done. The SCTFA is a 501(c)(3) tax exempt organization, and over the next

few years they plan to expand their fund raising efforts to help pay for the recent resurfacing and continued improvements to the facility.

Premier Club

Thank you to our loyal members and travelers that have supported our trips over the past years and we look forward to traveling with you again this year!!

Local student receives cash prize for winning essay

As part of the Rushville State Bank annual Scholarship program, we forward the winning essays from our local contest to the Community Bankers Association of Illinois (CBAI) for consideration in their state-wide scholarship program.

We are pleased to announce that one of our local essays was selected for State-Wide recognition from the essays that

were submitted to CBAI from Banks across the State of Illinois.

The essay written by Alexis Hardy was awarded \$500 as a CBAI Group 6 winner. Alexis, daughter of Brian and Angy Hardy, plans to attend Monmouth College and major in Business Administration.

Congratulations to Alexis on her winning essay! We wish her the best in the future!

Alexis Hardy with RSB Scholarship Coordinator Nancy Peak.
